RE: Change in Ownership Water Right No. 29-12521

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Application:** On October 25, 2017 the department received a Notice of Security Interest form from you. The evidence attached indicates this is a wrong form, a copy of a Warranty Deed was attached. If you are trying to change the ownership of the water right please see the attached application, the Notice of Change in Water Right Ownership form. Please complete this application and return it to our office. If by chance you are trying to add a Security Interest in the water right a copy of a Deed of Trust or other legal evidence of a security interest is required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
