RE: Change in Ownership Water Right No. **13-4350**

Dear **Sir/Madam**:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** As requested on October 27, 2017 please send a copy of the recorded Warranty Deed indicating your ownership in the above mentioned water right.

****Also as we discussed, please find attached an Amended Statutory Claim for you to fill out in order to correct the Place of Use of the water rights listed above. I have also included a copy of the original claim and a map showing where the place of use of the water right is. When you are filling this out if you have any questions please do not hesitate to contact our office.****

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,
