74-814, 74-815, 74-816, 74-10097, and 74-15444

Dear Water Right Holder:

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water rights to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you for your patience. If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4920.

Sincerely,

Debbi Judd

RE: Change in Ownership of Water Right Nos. 74-324K, 74-326C, 74-328C, 74-803, 74-804, 74-814, 74-815, 74-816, 74-10097, and 74-15444

Dear Interested Party:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

The above mentioned water rights are in the name of Frank J Wellard and Norma J Wellard. The deeds we received conveys property from Norma J Wellard to you. We will require documents conveying property from Frank to Norma or a copy of Frank's death certificate so that his name can be removed as owner of the rights. Also, we did not receive deeds that cover property for water right 74-324K and part of water right 74-814. I spoke with your attorney, Bruce Withers, on the telephone on September 29, 2017 and sent an email on October 5, 2017 requesting deeds for these water rights and have received no further response.

Because the Department cannot process the ownership change without proper documentation we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed. You can send the documents to the address above, fax it to (208) 287-6700 attention Debbi, or email to debbi.judd@idwr.idaho.gov.

If you have any questions, please contact me at (208) 287-4920.
