Dear Parties,

Attached is an order denying the motion to reschedule the hearing. The hearing will move forward as currently scheduled for September 19th. The hearing will begin at 9 am at the IDWR Office in Coeur D'Alene.

Mrs. Tope, please forward this information to the other protestants. I do not have email addresses for Mr. Spray or Ms. Felts. The order has been put in the mail, but may take a week to arrive. I will try to notify Mr. Spray and Ms. Felts by telephone later this afternoon.
