

**BEFORE THE DEPARTMENT OF WATER RESOURCES
OF THE STATE OF IDAHO**

IN THE MATTER OF PERMIT NO. 95-17185	)	PRELIMINARY ORDER
IN THE NAME OF	)	REINSTATING A PERMIT
LUTHERHAVEN MINISTRIES	)	
_____	)	

This matter having come before the Idaho Department of Water Resources (“Department”), the Department finds, concludes and orders:

FINDINGS OF FACT

1. On September 19, 2016, the Department issued Permit No. 95-17185 (“permit”) in the name of Lutherhaven Ministries (“permit holder”) with the condition that proof of construction of works and application of water to beneficial use (“proof of beneficial use”) be submitted to the Department on or before October 1, 2017. The permit bore the priority date of August 1, 2016.
2. On June 31, 2017 the Department notified the permit holder by certified mail that proof of beneficial use was due and instructed the permit holder of the steps to be taken to submit proof of beneficial use or to request an extension of time.
3. On October 1, 2017, the permit lapsed because the Department had not received an acceptable proof of beneficial use statement or extension request form.
4. On October 10, 2017, the permit holder filed a proof of beneficial use statement for the permit.

CONCLUSIONS OF LAW

Idaho Code § 42-218a states, in pertinent part:

A permit upon which the proof of beneficial use has not been submitted, or a request for extension of time has not been received on or before the date set for such proof, shall lapse and be of no further force nor effect. Notice of said lapsing shall be sent by the department to the applicant at the address of record by regular mail

Idaho Code § 42-218a(1) states, in pertinent part:

Within sixty (60) days after such notice of lapsing the Department may, upon a showing of reasonable cause, reinstate the permit with the priority date advanced a time equal to the number of days that said showing is subsequent to the date set for proof

The permit holder has provided a reasonable showing why this permit should be reinstated by submitting an acceptable proof of beneficial use statement. The permit should be reinstated based upon the October 10 2017, filing date.

ORDER

IT IS HEREBY ORDERED that Permit No. 95-17185 is **REINSTATED** with an advance in priority to August 10, 2016.

Dated this 16th day of September, 2017.

Jeff Peppersack, Chief
Water Allocation Bureau
