RE: Application for Transfer 81815 – Right 45-07567

Dear Applicant(s):

The Department was informed you intend to withdraw the application for transfer received in June 2017 for groundwater recharge. If it is still your intent to withdraw the application, please fill out the attached "Withdrawal of Application for Transfer of Water Rights" form and return to the address above. Upon receipt of this form the department will acknowledge the withdrawal of Application for Transfer 81815 that proposed changes to Water Right 45-07567 and request a refund of the application fee of \$2020.00.

If your intent is to pursue the application please explain how the proposed change would not be an enlargement of right 45-7567.

Please provide the withdrawal form or the requested information within the next thirty (30) days, by October 18, 2017. If the requested information has not been received or I have not been contacted by you within thirty (30) days, the department will take steps to terminate the application.

Sincerely,

Chelsey Serrano, EIT
Water Rights Agent
