RE: Change in Ownership of Water Right Nos. 2-2144, 2-7002, and 2-7111

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that an additional fee is required before we can process the change. You submitted \$200 with the Notice of Change in Water Right Ownership form received on February 27, 2015 listing two water rights. That fee had not been refunded, so we will apply it to the Notice that was received on September 27, 2017. The form received on September 27, 2017 lists three water rights, so an additional \$100 fee will be required.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Idaho Code § 42-248, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact me at (208) 287-4290 if you have any questions.

Sincerely,

Debbi Judd
