RE: Hagenbarth Land / Dip Vat Ownership Changes

Dear Ms. Rowland:

In April of this year you filed a collection of ownership changes for Hagenbarth Land Idaho LP ("Hagenbarth Land") and Dip Vat LLC ("Dip Vat"). As an initial matter, please let me apologize that it has taken so long to complete the ownership changes. Our water right agents strive to provide timely service to water users in Eastern Idaho. Taking six months to complete a set of ownership changes does not meet that standard. Ownership updates have been completed for the following water rights.

Ownership Updated to Hagenbarth Land (no split necessary)

21-10111, 31-66C, 31-67C, 31-306, 31-7501, 31-7649, 31-7653, 31-10160,
31-10161, 31-10162, 31-10163, 31-10255, 31-10257, 31-10259, 31-11735,
31-2274, 31-2275, 31-10245 and 31-10740

Ownership Split between Hagenbarth Land and Dip Vat

Original Right	Hagenbarth Land	Dip Vat

31-67B	31-67B	31-12401

21-4175	21-13232	21-4175
21-12854	21-13233	21-12854
21-12939	21-13234	21-12939

Reports for all of the updated rights are enclosed for your records. Let me provide a few comments on the ownership changes completed. One of your ownership changes indicated that water rights 31-2274, 31-2275, 31-10245 and 31-10740 were to be split. Based on the legal description set forth in the 2013 Corrective Deed, it does not appear that these water rights should be split. All four of the rights were updated to Hagenbarth Land, without a split. Therefore, \$300 of your filing fee (\$75 per water right) should be refunded. Further, one of your ownership changes included water right 21-12938 which was disallowed in the Snake River Basin Adjudication and is no longer a valid water right. You had proposed to split water right 21-12938. Therefore, an additional \$100 of your filing fee should be refunded. In total, \$400 of your original filing fee will be refunded. A check should arrive from the state of Idaho in a couple of weeks.

Please be aware, I have not yet completed the ownership changes for one group of water rights (31-253, 31-254, 31-2077, 31-2125, 31-4027, 31-10208 and 31-10261). As I was reviewing these rights, I discovered some errors and inconsistencies in the water right conditions. For example, water right 31-4027 authorizes 574 acres of irrigation. Water right 31-253, which was decreed at a later date than water right 31-4027, authorizes the irrigation of 193 acres and includes the following condition: "Use of this right with the rights listed below is limited to the irrigation of a combined total of 193 acres in a single irrigation season. Combined right nos.: 31-253, 31-254, 31-4027, 31-10208."

I have notified our adjudication staff of the inconsistent conditions on the water rights. They are currently evaluating whether the issues can be addressed within the adjudication error correction process. I will let you know when the adjudication staff determines the best path forward for your clients. Please feel free to contact me with any questions you may have about the completed ownership changes or those that are still pending.

Sincerely,

James Cefalo

Re: Notice of Change in Water Right Ownership

Dear IDWR:

Please find enclosed several *Notices of Change in Water Right Ownership* for filing with the Idaho Department of Water Resources (IDWR). A check for \$3,275.00 is included for the filing fees. Each notice has associated attachments. The IDWR website has been reviewed and the water rights and maps appear today as they appear in the associated attachments.

We are including the following:

1) David and James Hagenbarth conveyance to Dip Vat, LLC

This ownership change includes 8 split water rights in Basin 31 to Dip Vat. We have calculated the filing fee for this ownership change as \$800.00.

2) David and James Hagenbarth split conveyance to Hagenbarth Land Idaho, LP

One form has 10 split water rights in Basin 21 with a filing fee for this ownership change of \$1,000.00.

A second form includes 19 splits in Basin 31 of which 8 water rights involve previous splits to the Dip Vat, LLC. This filing fee is calculated as \$1,100.00 since the splits are being filed together.

In summary, I have marked those claims with an asterisk (*). The final ownership of these claims will be a split between the Dip Vat, LLC and the Hagenbarth Land Idaho, LP. The claims not marked with an *, will appear as split between David and Jim Hagenbarth and the Hagenbarth Land Idaho, LP.

3) David and James Hagenbarth undivided conveyance to Hagenbarth Land Idaho, LP

These changes in water right ownership are undivided to the Hagenbarth Land Idaho, LP. One water right is in Basin 21. There are 14 undivided claims in Basin 31. The filing fee included for this ownership change is \$375.00.
