RE: Change in Ownership Water Right No. 34-12406, 34-10380, 34-12407, 34-12408 & 34-12411

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

\*\*\*\* **Evidence of Ownership:** In order for the department to complete the review for your ownership change filed on October 6, 2017, additional information is required. The current owner of the water rights according to the records filed with the department is Southeast Idaho Mule Deer Foundation Inc. and Idaho Sportsmen for Fish & Wildlife Inc. According to the Warranty Deed submitted with your application you purchased the water rights and property from Wood River Land Trust Co. Please supply a full chain of title back to the current owner of the water right according to our records. Copies of the previous deeds can be obtained from a title company or the Butte County recorder's office.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: [www.idwr.idaho.gov](http://www.idwr.idaho.gov).

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg  
Technical Records Specialist
