RE: Ownership Change Water Right: 22-13222

Dear Property Owners:

The Department of Water Resources acknowledges receipt of your request for a Notice of Change of Water Right Ownership on water right 22-13222. After reviewing your request, it was determined additional fees or conveyance documents confirming ownership of the property in Township 4N, Range 44E, Section 12 SE SW will be needed to complete this request as water right 22-13222 will need to be split. I have enclosed a map, which shows the excluded property according the deed you provided in white and the water right outlined in blue.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. The Department has determined that the additional filing fee for your notice will be **\$75**.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will not update the ownership on water right 22-13222.

Please contact me at 208-287-4920 if you have any questions.

Sincerely,

Debbi Judd  
Technical Records Specialist
