Hi:

I failed to notice two minor corrections that are needed on the front page of your Twin Lakes Application.

Please refer to the attached Example that shows the correct legal description for your pump as shown on the map. Please print out the copy of your Application, make the corrections as shown in the Example. and then re-sign and date the 2<sup>nd</sup> page of the Application. Only one of you is needed to initial the corrections and for the signature and date on the 2<sup>nd</sup> page.

Please use a pen color other than black and send me the corrected Application by regular mail. We are required to have the original paperwork on all corrections to an Application For Permit.

I will be out of the office tomorrow morning and Friday morning if you have questions but available at (208) 762.2816 after 10:00 A.M. PST.

Thanks,

Shaun Maxey
