Hi Cheryl,

In reviewing the appraisal, the property has adequate water rights to cover the acres allocated as irrigated cropland without water right #35-12805 so we should be fine. Regarding the domestic and stockwater right lets have IDWR change ownership to the Funks and secure that right as well.

Please let me know if you have any questions.

Thanks!

Subject: Lance Funk

Cheryl:

I am still reviewing the ownership change application and security interest for Lance Funk. One of the water rights listed on the application was disallowed in the SRBA there fore is no longer a valid water right and cannot be updated the water right number is 35-12805. However during our review we did find a domestic and stockwater right that was not listed on the applications that does appear to be owned by the Funks. Do you want me to change the water right number 35-12805 to 35-13807 and go ahead an update the ownership for that water right instead, also do you want me to do the same for the security interest application. Thank you for your time.

RE: Change of Ownership for Water Right No(s). 35-7145, 35-12807 and 35-13862

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right(s) to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
