Subject: RE: Transfer Nos. 81292 and 81293 (Hunter)

Dear Parties,

Please let this email confirm that the hearing scheduled for November 2 and 3 will be vacated. I will try to have an order out by the end of the week vacating the hearing date and setting a telephone status conference for November 2nd at 9:00 am. If you are able to settle before November 2nd, then the status conference can be cancelled.

James

James:

The parties to the current contested cases for the Hunter transfers (81292 and 81293) have, in concept, agreed to a resolution that will settle the contested cases. The parties need some time to draft and circulate a settlement stipulation. Additionally, the parties had difficulty finding dates for additional depositions that the parties were planning to take in September. Given the upcoming discovery deadlines, and the high likelihood of resolution, the parties have all agreed to vacate the currently scheduled hearing on this matter and the disclosure dates contained in your scheduling order. In the past, we have been able to address these types of matters through email confirmation from you, and believe that will be the most efficient way here. If you could confirm by email today that the hearing and disclosure deadlines are vacated, that would allow the parties and their counsel to avoid any unnecessary additional work. If you would like a more formal stipulation, let me know.

You and I briefly discussed have a status conference on November 2nd at 10:00 a.m., but I just realized that there is a WD01 Rental Pool Meeting scheduled for that time. I propose a status conference at 9:00 a.m. instead (or potentially at 2:00 that afternoon to accommodate travel from Travis and Kent who are likely planning to attend the rental pool meeting).

Please let me know if you have any questions.

Thanks,

Robert L. Harris
