(Required by Rule of Procedure 740.02)

The accompanying order is a "Final Order" issued by the department pursuant to section 67-5246, Idaho Code.

PETITION FOR RECONSIDERATION

Any party may file a petition for reconsideration of a final order within fourteen (14) days of the service date of this order as shown on the certificate of service. **Note: The petition must be received by the Department within this fourteen (14) day period.** The department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See section 67-5246(4), Idaho Code.

REQUEST FOR HEARING

Unless the right to a hearing before the director or the water resource board is otherwise provided by statute, any person who is aggrieved by the action of the director, and who has not previously been afforded an opportunity for a hearing on the matter shall be entitled to a hearing before the director to contest the action. The person shall file with the director, within fifteen (15) days after receipt of written notice of the action issued by the director, or receipt of actual notice, a written petition stating the grounds for contesting the action by the director and requesting a hearing. See section 42-1701A(3), Idaho Code. **Note: The request must be received by the Department within this fifteen (15) day period.**

APPEAL OF FINAL ORDER TO DISTRICT COURT

Pursuant to sections 67-5270 and 67-5272, Idaho Code, any party aggrieved by a final order or orders previously issued in a matter before the department may appeal the final order and all previously issued orders in the matter to district court by filing a petition in the district court of the county in which:

MEMORANDUM

Date: September 15, 2017
To: Shelley Keen
From: Scott Stosich
Re: **Name Change for Licensed WR 24-10783 and 24-10784**

Mr. Louis Scarlett visited the Eastern Regional Office on September 7, 2017 to discuss his recent licensing of water rights 24-10783 and 24-10784. The permit application that was submitted to our office, and subsequently the license he received, incorrectly listed the name of his son as "Benjamin Griffin Scarlett" rather than "Griffin Benjamin Scarlett". After he noticed the mistake, Louis came to our office to discuss his options to correct this one day after the 14-day preliminary order period ended, making his license a final order.

After a conversation with Louis confirming the correct name, and with evidence from another water right (24-4006, which has recorded Frederick Louis Scarlett and his son, Griffin B Scarlett, as the current owners), I am convinced "Benjamin Griffin Scarlett" and "Griffin Benjamin Scarlett" are indeed the same person and that Mr. Scarlett is telling the truth about the mistake.

With directions from Shelley Keen, I have provided two new drafts of licenses 24-10783 and 24-10784 to be approved and to update our records of the proper owner's names.
