Re: Encroachment Permit Application (L-96-S-0162B) Bonner Co. parcel RP00109000005AA

Dear Ms. Fuson:

Idaho Department of Water Resources (IDWR) has reviewed your August 4, 2017 E-mail concerning an Encroachment Permit Application for Bonner County parcel RP00109000005AA. The Applicants (Damon & Gail Johnson) have contacted IDWR to file an Application for a new Water Right Permit to use water from Lake Pend Oreille. The IDWR Application for Permit is incomplete and has been returned to the Applicants.

IDWR has reviewed the Application for Encroachment Permit Application and finds no conflict with other water rights. The Irrigation Place Of Use for Water Right License 96-7815 (Easy Livin Acres Association) may include the Johnson property. There are no other active Water Rights currently on record with IDWR that appear to be adversely affected by an Encroachment Permit at the proposed location.

Please contact me at (208) 762.2816 or at the address shown above if you have additional concerns.

Sincerely,

RE: Rule 35 Incomplete Application for Permit—No Fee & Incorrect Legal Description

Dear Mr. and Mrs Johnson:

Idaho Department of Water Resources (IDWR) received your incomplete Application for Permit on July 31, 2017 for 4.5 Acre Feet Annually (AFA) using the Pend Oreille River for Lawn Irrigation purposes on Bonner County parcel RP00109000005AA. Your incomplete Application is enclosed. \$100 fee payment, correction and completion of the Application with correct legal descriptions, and labeling of an Application map is required before IDWR can publish accurate legal notices.

Idaho Administrative Code (Rule 35 Water Appropriation Rules IDAPA 37.03.08) requires that the legal description of the Point of Diversion and Place of Use be described to include the correct Quarter Quarter(s) on both the Application (line 4 & line 9) and accompanying map. Your Application and the map do not include the correct Quarter Quarters for the Point of Diversion or Place of Use.

Please telephone me for assistance to submit the completed Application with the correct information or contact me for an appointment at the IDWR Northern Region office by September 4, 2017. I can describe how to use the enclosed IDWR map to complete the Application. Please submit a written request if you need additional time to provide the information. IDWR can grant additional time upon a showing of good cause for the delay.

I can be reached at (208) 762-2816.

Respectfully,

Shaun M. Maxey

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the BONNER COUNTY DAILY BEE on 9/21/2017 and 9/28/2017. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact the Northern Regional Office at (208) 762-2800 if you have any questions regarding the application.

Sincerely,

Tammy Alleman
