Hello Frank and Jeremiah,

I received the attached letter from Pam Skaggs at IDWR. It references FWS withdrawal to application 01-10609. It's great to have your withdrawal in that matter. However, the application we really need your withdrawal in is 01-7142. It is 01-7142 that is stalled in permitting awaiting your withdrawal. Were you planning on sending out a second letter addressing 01-7142? If so when can we plan on seeing that?

Also, when filing a withdrawal protestants will usually serve a copy on all other parties in the matter. I haven't received a copy of the letter and would appreciate having one for my files.

Please let me know the status of this so that we can get this wrapped up quickly.

Thanks,

Ann Vonde

Ann,

I understand from my colleague, Frank Wilson, who represents FWS and whom I've copied here, that FWS recently submitted a written withdrawal of the recharge application protest we discussed. After talking with Frank, we thought it would likely be most efficient for you to work directly with him to address the additional protests you identified (01-10612, 01-10613, 21-7577, 21-7578, 21-7580, and 21-13160).
