PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 95-17190

Dear Permit Holder(s):

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit.

During my review of your proof of beneficial use form against the water right permit, I noticed that you stated your domestic use is for 10 homes. This permit is limited to domestic use for 2 homes. You must limit your water use to the permitted use. If needed, you may apply for another water right to cover additional homes. I have enclosed a copy of your proof statement and a copy of the permit for your reference. Application forms are available from any Department office, or at the Department's website at www.idwr.idaho.gov

The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Northern Region Office of the Department located in Coeur d'Alene at (208) 762-2800.

Sincerely,

Darla Block
