

## MEMORANDUM

TO: File 95-17190

FROM: Daniel A. Nelson

DATE: September 11, 2017

SUBJECT: In-field exam needs to be done.

This permit proposes to divert water from the same well as adjudication claim and recommendation 95-8207. However, the legal descriptions for the well in the permit and adjudication claims don't match. It would be good to go out and visit this site to clarify exactly where the well being used is located or if there is more than one well.
