Scott,

Thank you for providing the specific place of use under these rights as required by the conditions of approval of Transfer 81600. Our GIS representations of these rights will be updated to match. Please advise the Department in advance of any future changes prior to the irrigation season for that year.

Pam

Subject: Robins Place of Use

Hello Pam,

Cindy Yenter reminded me that IDWR will want a shapfile for Robins 305.9 acres under water rights 73-192, 73-7041 and 73-10055.

The shapefile and a map are attached. Please let me know if you have any questions.

Thank you,
Scott
