REALTY COMPANY., a Washington Corporation, the Grantee, whose relevant current
address is 6610 W. Court St., Suite #B, Pasco, WA 99301, the real and personal property
of the Grantors, located in the County of Blaine, State of Idaho, to wit:

Described on EXHIBIT A attached hereto and made a part hereof

(hereinafter referred to as the "Subject Property").

TO HAVE AND TO HOLD, unto the said Grantee, its successors and assigns
forever.

This Deed is given in lieu of foreclosure of Grantee's mortgage liens and security
interest in and to the Subject Property, however, that Grantee's mortgage liens and
security interest in and to the Subject Property shall not be deemed to have merged into
this Deed, but shall survive the execution, delivery and recording of this Deed, and

Grantee expressly reserves and retains its priority of liens and security interest in and to the Subject Property for the purpose of protecting Grantee against any third party liens, claims or interest, known or unknown, disclosed or undisclosed, liquidated or unliquidated, of whatever kind or nature.

It is expressly covenanted and agreed by and between the parties hereto that by accepting delivery of and/or by recording this Deed, Grantee does not assume any liability arising out of or in connection with the ownership or use of the Subject Property by the Grantors or their predecessors in interest.

The mortgage liens hereinbefore referred to are based upon: 1) A certain First Mortgage, Security Agreement and Assignment of Rents dated October 13, 2004 from Steven D. Young and Maria Young, husband and wife, and Roy M. Young, a married man as his sole and separate property ("Young"), for the benefit of Metropolitan Life Insurance Company ("Lender"), as Beneficiary, recorded October 15, 2004 as Instrument No. 511348 of the real property records of Blaine County, Idaho, and as assigned by Lender to Western Mortgage & Realty Company pursuant to that certain Assignment of Note and Mortgages recorded September 8, 2006 as Instrument No. 539329 in the Office of the Recorder of Blaine County, Idaho, which encumbers the Subject Property more particularly described therein, together with the indebtedness secured thereby and the benefits and privileges created thereunder; 2) A certain Mortgage and Fixture Filing dated April 26, 2005 from Steven D. Young and Maria Young, husband and wife, Roy M. Young, a married man and, S&R INV., an Idaho general partnership ("Young"), for the benefit of KeyBank National Association ("Bank"), as Beneficiary, recorded May 5, 2005 as Instrument No. 519888 of the real property records of Blaine County, Idaho, and as assigned by Bank to Western Mortgage & Realty Company pursuant to that certain Assignment of Mortgage recorded June 29, 2007 as Instrument No. 549200 in the Office of the Recorder of Blaine County, Idaho, which encumbers the Subject Property more particularly described therein, together with the indebtedness secured thereby and the benefits and privileges created thereunder.

This Deed is absolute in effect and conveys fee simple title of the Subject Property described in Exhibit A to the Grantee and does not operate as a mortgage, trust conveyance or security of any kind.

Grantors do hereby waive, surrender, convey and relinquish any equity of redemption and statutory rights of redemption concerning the Subject Property and the mortgage lien documents described above.

Possession of the Subject Property is hereby surrendered and delivered to Grantee. Grantors are not acting under any misapprehension as to the legal effect of this Deed nor under any duress, undue influence or misrepresentation of Grantee, its agents or attorneys or any other person. At this time there is no person, partnership or corporation other than Grantee, interested in the Subject Property directly or indirectly, in any manner whatsoever, except as aforesaid.

RE: Change of Ownership for Water Right No. 36-15267

Dear Water Right Holder(s):

The Department acknowledges receipt of correspondence changing ownership of the above referenced water right(s). The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
