BEFORE THE DEPARTMENT OF WATER RESOURCES
OF THE STATE OF IDAHO

PETITIONERS' MOTION TO ALLOW
AMENDMENT TO THE PLEADINGS
(IDAPA 37.01.01.305)

The presiding officer may allow any pleading to be amended or corrected or any omission to be supplied. Pleadings will be liberally construed, and defects that do not affect substantial rights of the parties will be disregarded.

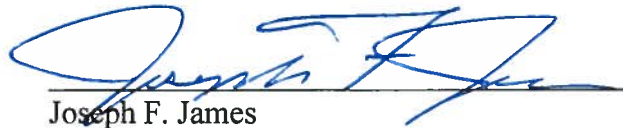

This motion is brought upon the grounds that in the introductory paragraph, the Petition for Hearing, and Petition for Declaratory Ruling incorrectly identified the order for which a hearing was being requested. The actual order for which the Petitioners are requesting a hearing is the Notice of Issuance of License No. 37-7842, issued on July 14, 2017. Said order was identified on page 6 of the Petition for Hearing, and Petition for

Declaratory Ruling. The Petition for Hearing, and Petition for Declaratory Ruling was filed within fifteen days of Petitioners receiving notice of the July 2017 order. The First Amended Petition for Hearing, and Petition for Declaratory corrects the initial petition and sets forth the correct order for which a hearing is sought.

As further grounds for this motion, Petitioners state that they seek to amend the Petition for Hearing, and Petition for Declaratory Ruling in order to provide greater clarification as to the declaratory ruling which Petitioners seek. The First Amended Petition for Hearing, and Petition for Declaratory provides greater clarification.

DATED this 8th day of September, 2017.
