RE: Notice of Security Interest in a Water Right 29-4398 & 29-11925

Dear Water Right Holder(s):

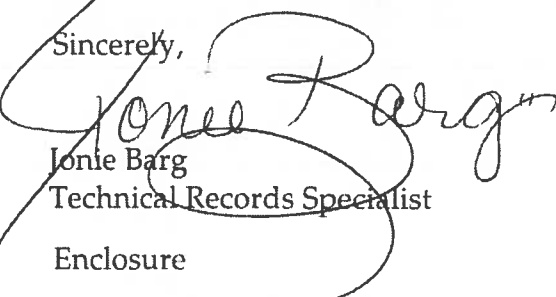

The department acknowledges receipt of correspondence adding a security interest to the above referenced water right(s) to you. The department has modified its records to reflect the security interest and has enclosed a computer-generated report for your records.

Please note water rights listed above are in the name of Downey Properties, if the ownership of the water rights should be listed as Eliason Land Holdings LLC a Notice of Ownership Change Application, evidence of ownership and filing fee is required.

Updating the security interest record for a water right does not reconfirm the validity of the right. When processing a security interest notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
