Application for Permit No. 63-34429

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the INDEPENDENT ENTERPRISE on 9/6/2017 and 9/13/2017. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Rachel Neely
Administrative Assistant

Re: Corrections to Application

Minor corrections were made to the application prior to advertising. The applicant was not required to formally amend the application for these changes per Admin AP Memo No.9. Corrections made include: changing the irrigation season of use from 03/15 - 11/15 to 03/01 - 11/15, specifying that use in the NWSW and SWSW of Section 2 is in Canyon County, and adding gov lot designations to the place of use description.
