The "Notice of Security Interest" for 1-10457, 1-10460, 25-245, 25-11216 and 25-11219 has been returned for the following item(s):

**** **Already Complete:** The security interest for the above listed water rights was received by the department twice. Once on July 18, 2017, complete on August 11, 2017. Then the department received the application again on August 18, 2017. Because the security interest was already complete the department is returning the second application unprocessed and refunding the second filing fee. The department has initiated the refund and it should arrive from the state office in a couple of weeks.
