This form may be used to file a protest with the department under sections 42-108B, 42-203A, 42-203C, 42-211, and 42-222, Idaho Code. The department will also accept a timely protest not completed on this form if it contains the same information.

1. Matter being protested Trail Family Farms Application #81775
2. Name of protestant Ark Properties
3. Protestant's Representative for service (If different than protestant)
Jerry Gorrell - Farm Manager & Part Owner
4. Service mailing address PO Box 727, Glens Ferry, Id. 83623
5. Service telephone no. 208-599-7373 Email Address: jerry@snakeriverprop.com
6. Basis of protest (including statement of facts and law upon which the protest is based)

This water transfer would not allow for the best beneficial use of the water in Little Canyon Creek. If allow it would be very detrimental to the down stream users. Also at the point of diversion the water in question is King Hill Irrigation tail water not waste water in Little Canyon Creek. If given the new pt of diversion he has no easement or right of way to deliver the water.

(additional pages may be attached to describe nature of the protest)

7. What would resolve your protest? The water right should be awarded to Joyce Pearson (Nate Jones).
His use of the water would help recharge the creek and be used by water users and wildlife downstream

I hereby, acknowledge that if I, or my designated representative, fails to appear at any regularly scheduled conference or hearing in the matter of which I have been notified at the address above, the department may issue a notice of proposed default against me in this matter for failure to appear. I also verify that I have served a copy of this protest upon the applicant.

Signed this 18th day of August, 2017.
