4. If the water rights and/or adjudication claims were split, how did the division occur?

- ☐ The water rights or claims were divided as specifically identified in a deed, contract, or other conveyance document.
☒ The water rights or claims were divided proportionately based on the portion of their place(s) of use acquired by the new owner. 90% to new owner

5. Date you acquired the water rights and/or claims listed above: 5/2/14

6. This form must be signed and submitted with the following **REQUIRED** items:

- A copy of the conveyance document – warranty deed, quitclaim deed, court decree, contract of sale, etc. The conveyance document must include a legal description of the property or description of the water right(s) if no land is conveyed.
- Plat map, survey map or aerial photograph which clearly shows the place of use and point of diversion for each water right and/or claim listed above (if necessary to clarify division of water rights or complex property descriptions).
- Filing fee (see instructions for further explanation):
 - \$25 per undivided water right.
 - \$100 per split water right.
 - No fee is required for pending adjudication claims.
