Hi Sarah,

Yes, the Wallaces did file a protest against application for permit 78-12439 in the name of Ed Kalinowski. The protest is in the name of Leonard Wallace. After speaking with the supervisor, I would recommend that Sissy files an extra notice of protest in her (and Michael's) name. Although she would be able to attend the protest conferences with her father, having a separate protest would ensure her ability to represent her concerns individually.

Due to an error at The Adams County Record, the legal notice was published later than anticipated and the protest deadline is August 8, 2016. The Wallaces will receive a confirmation of the protest approximately one week after the protest deadline. We wait this long to ensure that all protests have been submitted and all parties can be notified at the same time.

Also, if you are planning on representing the Wallaces throughout the protest process, would you please submit a written Notice of Appearance? Then we can add you to our database and ensure that you also receive the protest confirmation letter and scheduling paperwork for the pre-hearing conference.

I hope this answers your questions. Please let me know if any others come up!

Danie,

Thank you for the Application for Transfer No. 81039, that was very helpful. In addition, I wanted to confirm that Michael and Eulla (Sissy) Wallace also filed a protest with the Department to water right application no. 78-12439. There was a discrepancy in the online forms on the Department's website as to whether or not the Wallace protest was filed and when the deadline to protest is. Please let me know.

Thank you,
Sarah

Hi Sarah,

Attached is a copy of the Wallace's transfer per our conversation earlier today. The application is not yet available online because our office received confirmation of legal notice publication this afternoon and have not yet scanned the documents. They should be on the website within the next couple of days.

I hope this helps! Please let me know if you have any other questions.

Sincerely,
