MEMORANDUM

TO: Water Right Permit File 51-7368

FROM: Daniel A. Nelson

DATE: August 2, 2017

SUBJECT: Field Examination Should Be Done

There was some confusion on the water source for this permit in the application stage. Water right permit 51-7318 is a permit that needs field examined for the same property. I recommend that both this permit and 51-7138 be field examined together to verify the water source for permit 51-7368 and the irrigation use for 51-7318.
