RE: Notice of Security Interest in a Water Right 1-10457, 1-10460, 25-245, 25-11218 & 25-11219

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence adding a security interest to the above referenced water right(s) to you. The department has modified its records to reflect the security interest and has enclosed a computer-generated report for your records.

According to you Notice the current owner of the water right should be listed as RT Kandler LLC. According to the records filed with the department the current owner of the water rights listed above is Corey, Kathy and Roger Poole. In order for the department to update their records to reflect RT Kandler as the current owner a Notice of Change in Water Right application, evidence of ownership and filing fee is required.

Updating the security interest record for a water right does not reconfirm the validity of the right. When processing a security interest notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
Technical Records Specialist
