RE: Change in Ownership Water Right No. **34-575 & 34-864**

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership or Additional Filing Fee:** During our review of the documentation submitted it appears you do not own the entire place of use of the water rights listed above. A portion of the water right appears to be owned by Francis Magee. Please review the map. Please submit additional evidence of ownership if you believe you own the entire water right or please submit the additional filing fee if a split will be required. The filing fee for a split ownership change is \$100.00 per water right (your application would be \$200.00 [2 x 100 = 200]), you have already submitted \$50.00 so an additional \$150.00 would be required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

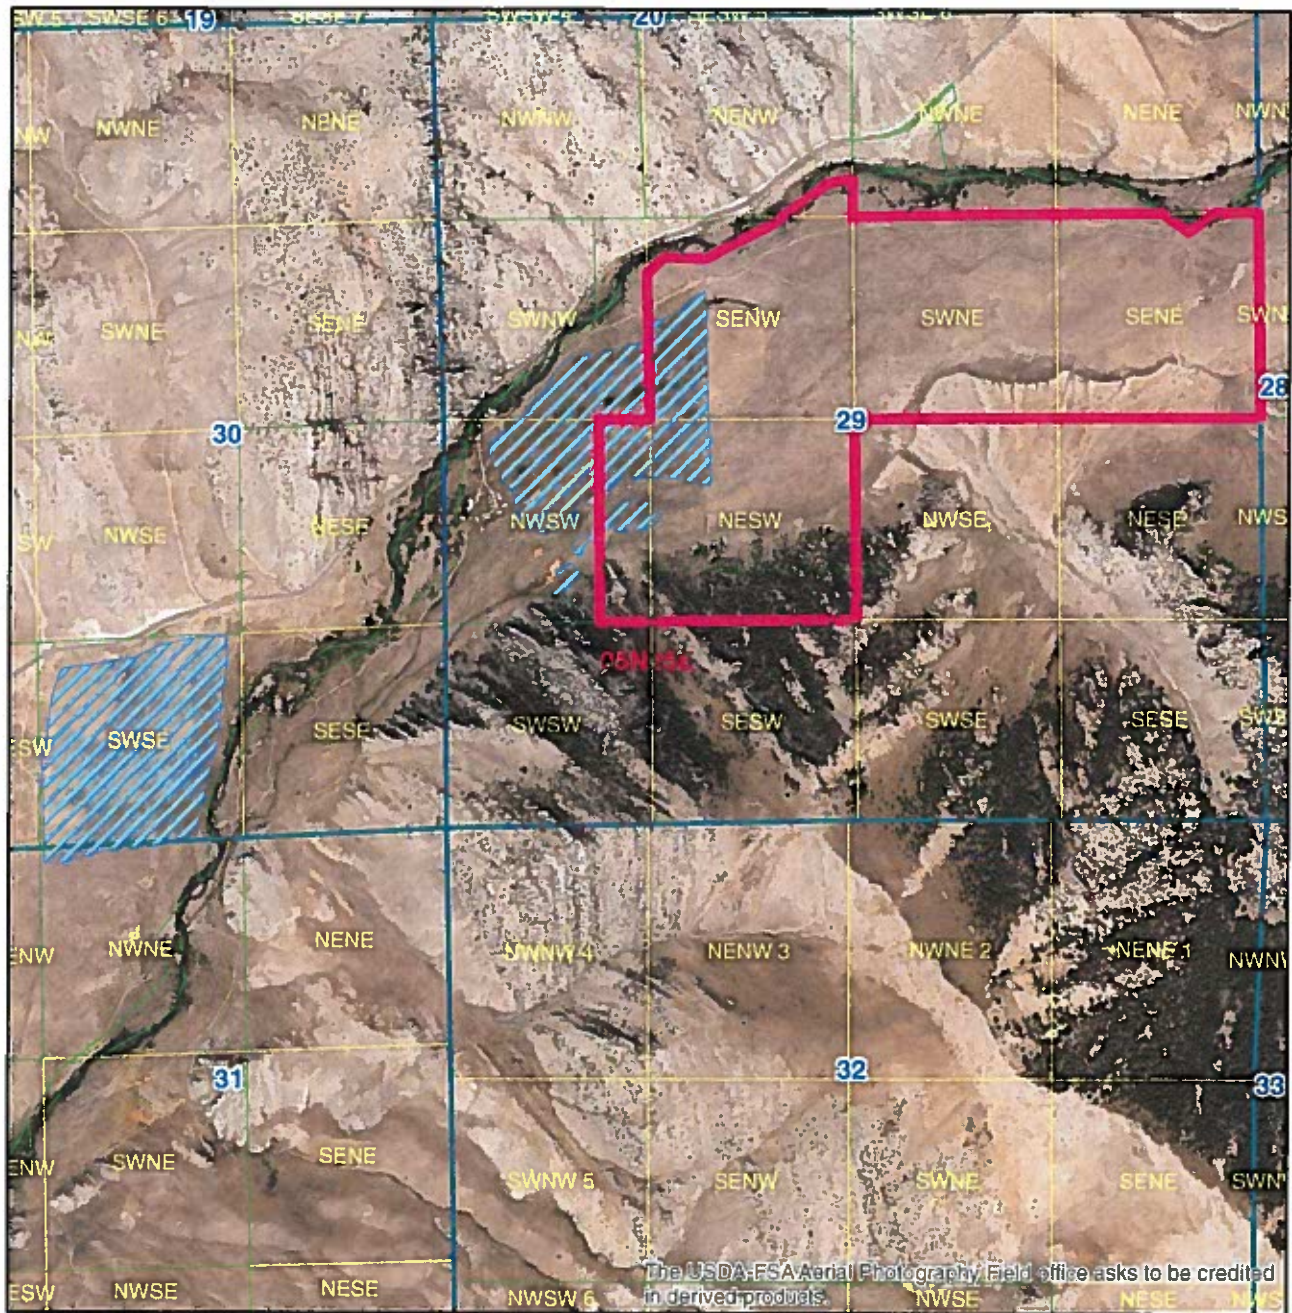

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
