Re: Change of Ownership for Water Right/Permit No(s): 37-10747

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and §42-223, Idaho Code.

The ownership of water right 37-132 was not updated. The place of use for water right 37-132 is Township 01N, Range 14E, Section 29, NESE, NWSE, SWSE, SESE. The quitclaim deed you provided conveyed property located in Township 01N, Range 14E, Section 29, SESW. Since the ownership of water right 37-132 was not updated, a refund has been requested in the amount of \$100 and will be mailed to Speck & Aanestad under separate cover from the State Controller's Office. The Department is also returning your W-9.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within **120 days** of the change. Water right forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

Sincerely,
