To Amanda Weber

Thanks for the clarifications that you gave me by telephone yesterday, July 20th. We understand that our adjudicated water rights (CFS, AFA, acreage, etc.) will be preserved after the transfers and splits; and will be annotated in the tables **and notes**.

Because my wife, Sandra F. Reed, will be leaving town this week end and won't be back before you need to finalize the paperwork and turn it in, I am bringing to you this morning the signed page 2 of the application, the permission letters from each of our three children for the transfers to their properties, and the \$200.00 filing fee.

My wife and I decided to match the transfers of water rights (to our children) based on the property that each was deeded, as that is the right that they have each owned for well over a decade.

Your assistance and coordination on this has been very helpful and pleasant.

If either you or Blake need anything else from me or my wife, please give me a call on (208) 538-7470. Thank-you for all your help.

Sincerely,

A handwritten signature in black ink, appearing to read "Terry H. Reed", written in a cursive style.
