February 7, 2017

Syringa Park Subdivision members,

On February 6th, we held our annual water meeting with the following in attendance: Becky and Leo Castagno, Mike Groesbeck, John Walker, Gordon Buttars, Michelle Southam, and JoAnn Eddins.

Michelle Southam is the chairperson this year.

Our current balance of funds is \$4600. In order to have more in savings for repairs, etc., it was voted to increase the monthly charge to \$40 starting in March. Also everyone has to always pay December.

In the past, you have been notified of the need to install an anti-backflow valve if you have a sprinkler system. Since you have been warned, the Syringa Park Subdivision can't be held liable for any harm you may cause if you don't have one. The liability falls on you. We need every member to respond back as to whether they have a sprinkler system or not. If they do, please let us know if you have an anti-backflow valve installed. You can simply text this info to Michelle Southam at 208-201-6696. We need this information by May 1st at the latest.

Michelle Southam

Chairperson
