

MEMORANDUM

TO: Water Right License File No. 37-7842

FROM: Darla Block

DATE: August 2, 2017

SUBJECT: Courtesy Copy of Issued License Emailed on July 17, 2017.

On July 17, 2017, I certified that I mailed copies of the Approved Application for Amendment and Issued Water Right License to the State of Idaho Water Resource Board and Kevin D. Lakey of Water District #37. The Certificate of Service Date was July 17, 2017.

Shelley Keen placed a note on the outside of the licensed water right file requesting that I send a courtesy copy as an attachment in an email to Joseph James at the following email address: joe@brownjameslaw.com

On July 17, 2017, I emailed copies of the entire packet as an attachment to Mr. James.

I know this because I kept seeing it over and over again in my sent items. I waited two (2) weeks before I deleted it from my sent items, and I regularly clear out my deleted items. I believe I cleaned it out on July 31st.
