Re: Application Nos. 63-34354, 63-34355, & 63-34371

Dear Applicants,

I am writing you today in regard to the water right applications referenced above. Application Nos. 63-34354 and 63-34355 were received in their completed form on March 14, 2017. No. 63-34371 was received in its completed form on April 27, 2017. The next step in the water appropriation process is to advertise these applications in the local newspaper to allow the opportunity for public protest. However, before I can advertise these I must confirm that Matt Davidson, the Water Resource Manager, has the authority to sign the applications. Currently, the only people authorized to sign for the Corporation are Gerald J Causse (President) and Gary B Porter (Secretary), both of whom are listed on the Idaho Secretary of State "Annual Report Form."

To resume application processing, you will need to submit written confirmation that Matt Davidson has the authority to sign and submit these water right applications on behalf of the Corporation of the Presiding Bishop. Additionally, if you want to extend this authority to any others, you should list their names in your response. I look forward to hearing from you within **thirty (30) days** of the date of this letter. You may seek additional time to provide this information if necessary. These applications will become void without a timely written reply. Refunds are not available for voided applications.

IDWR rules, forms and other information are available at www.idwr.idaho.gov. Please contact me at 208-334-2190 if you need more information. Thank you for time and for your attention to these matters.

Subject: Water Right #63-11039 – Application for Permit for additional 0.2 acres of irrigation

To Whom It May Concern:

We are submitting a completed Application for Permit for an additional 0.2 acres of irrigation for Water Right No. 63-11039 for use in increasing the irrigation from 0.5 acres to 0.7 acres but less than 5.0 acres and the diversion rates from 0.03 cfs to 0.045 cfs but less than 0.07 cfs. The change occurred due to an assessment of the actual acreage of irrigated lands to 0.7 acres. The water under this water right is from a point of diversion from an existing well to be used at an LDS meeting house property located at 307 East Andrews, Parma, ID 83660.

We trust that this Application for Permit and attached documents will be sufficient to allow you to increase the irrigation acreage and diversion rates. If you have any questions or need additional information, please contact the undersigned at 801-240-3263 or via e-mail at mpdavidson@ldschurch.org.
