This application proposes the diver-
sion and use of water from a spring tribu-
tary to Kenney Creek a tributary of the
Salmon Wild & Scenic River. The decreed
minimum stream flow rights for the federal
Wild & Scenic Rivers are subordinate to
certain categories of water use and to
specific amounts of water use established
after the minimum stream flow. The water
use proposed in this application will ben-
efit from the subordination provision be-
cause it is for stockwater purposes.

This application proposes the diversion and use of water from ground water tributary to the Salmon Wild & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow. The water use proposed in this application will benefit from the subordination provision because the diversion rate and acres will be applied to the subordination amounts specified in the decree for the Wild & Scenic River listed above.
