RE: Draft Permit 11-7829

Dear Mr. Payne:

Thank you again for making the trip to Pocatello to participate in the pre-hearing conference. Enclosed is a draft permit sent to all of the parties for review. Please read through the elements of the permit and the conditions of approval. If you feel that the conditions of approval adequately address your concerns, please complete the withdrawal of protest form and mail it back to our office. If the conditions do not address your concerns, or if you have suggestions for changes, please contact me. You are also free to contact Randy Budge, the attorney for the application, if you have additional questions about the proposed system.

Sincerely,

A handwritten signature in dark ink, appearing to read 'J. Cefalo', is written over a horizontal line.
