Re: Change of Ownership for Water Right/Permit No(s): 36-80B

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and §42-223, Idaho Code.

Please note, the ownership of water right 36-7271 was not updated. Water right 36-7271 is appurtenant to Lot 2 of Shokal Acres.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within **120 days** of the change. Water right forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

Sincerely,

RE: Notice of Change in Water Right Ownership No(s). 36-80B and 36-7271

Dear Property Owner(s):

The Department of Water Resources received a Notice of Change in Water Right Ownership from you on May 26, 2006. I was recently assigned to look at this request due to personnel changes in our section. The Department apologizes for the delay.

I am requesting a plat map from Gooding County that shows the lots in Shokal Acres. None of the tax information the Department has access to lists any lots as Shokal Acres. The survey map you provided appears to split a large parcel into several parcels.

Please provide the requested information by emailing it to jean.hersley@idwr.idaho.gov , faxing to (208) 287-6700 or sending the information to the address listed on this letterhead.

The Department cannot process the ownership change without proper information. We will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days the Department return the Notice of Change in Water Right Ownership and documents unprocessed. If you no longer own this parcel, please let me know and I will return the ownership request unprocessed. Thank you.

Please feel free to contact me at (208) 287-4942 if you have any questions regarding this matter.

Sincerely,
