Attorney for Applicant.

BEFORE THE STATE OF IDAHO DEPARTMENT OF WATER RESOURCES

IN THE MATTER OF APPLICATIONS
FOR PERMIT NO. 63-34079 AND 63-
34080

**APPLICANT'S NOTICE OF NON-OPPOSITION
TO MOTION TO INTERVENE**

Applicant Chris Emmert does not oppose the motion by the coalition of municipal providers to intervene in this matter. However, as Mr. Emmert stated in his Opposition to Reconsideration, he believes the Hearing Officer should deny the Boise Project's petition for reconsideration and stand on his Preliminary Order Approving Applications for Permit. In Mr. Emmert's view, the Hearing Officer can and should make this ruling summarily without need for further proceedings. Even so, Mr. Emmert believes intervention should be granted so that the coalition will have the opportunity to participate if the Boise Project files exceptions or an appeal. And if the Hearing Officer decides to entertain reconsideration of his order, then he should certainly grant intervention and consider the position of the municipal coalition in the reconsideration proceedings.

Dated this 20th day of July, 2017.
