RE: Notice of Change of Address for Water Right No (s) 29-595A

Dear Mr. Nelson:

The Department acknowledges receipt of your application changing the address of the above mentioned water right(s). Your application has been processed. However, according to the department's records the current owner of this water right is Hellen Burrup, Jay Burrup and Roger Burrup. According to your address change application Helen Burrup is deceased, in order for the department to remove Helen Burrup from the water right an ownership change with a copy of the death certificate or a letter requesting her name be removed with a copy of the death certificate is required. Also it appears Roger Burrup's address is the same as the previous address for Helen Burrup. Please submit additional information to correct the information on this water right.

Please find enclosed a computer generated report for you review. Please review the form and if there are corrections or questions, feel free to contact this office.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days of the change. Failure to report these changes within 120 days could result in a \$100 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Respectfully submitted,

Jonie Barg
Technical Records Specialist
