Michele,

We have updated IDL active Adjudication and Water Right records to the single common address shown below for IDL according to the Change In Address form you submitted that is filed in 2-10426.

STATE OF IDAHO
DEPT OF LANDS
STATEHOUSE
BOISE, ID 83720-0050
(208) 334-0200

There are currently 615 active adjudication and water right records with IDL, or IDL and others, identified as the current owner. Over a hundred records were changed from a variety of addresses in Boise and other cities to this single address.

Please advise your staff to use the same common address when submitting applications of any kind to IDWR in order to maintain this address. **If applications are submitted with a different address, the alternate address will be accepted as a change in address for all your records.** If a local office wants to be included in an application process, they can identify a second address for a representative contact.

Let me know if you have any questions or I can be of further assistance.
