RE: Notice of Representation, Request to be Added to Water Rights for
The Amalgamated Sugar Company

To Whom It May Concern:

In reviewing IDWR's records, I noticed that some of these water rights had been updated to include our firm as representative for some of Amalgamated's water rights. However, not all of the water right records have been updated. Please update the records for the following water rights and add McHugh Bromley as the representative on these water rights and provide a copy of any correspondence that is sent regarding the same to the above office address.
