Nick,

Looks good on our end too. Early issuance of the permit would be much appreciated.

Dear Parties,

I expected to send a letter out with the attached draft permit for your review today, but we are experiencing printer problems at this office, so I'll send it out tomorrow. However, I sense folks are ready to review and comment quickly, so I'm sending this email in advance of tomorrow's letter.

I will provide 14 days to send me comments, but if I hear from both parties sooner, I'll be able to issue the permit sooner.

Let me know if you have any questions.

Nick.
