Subject: PERMIT # 65-23655 Nancy & Terry Coffin...Request for waiver of permit condition #5

Dear Ms. Block,

PERMIT holders hereby request a waiver of condition # 5 of permit # 65-23655.

The condition is not necessary under the circumstances. Watermaster John Leedom has inspected the system and agrees that condition # 5 should be waived. It is my understanding that will soon hear from John Leedom on this request.

Thank you very much.

Terry and Nancy Coffin
