RE: PERMIT TO APPROPRIATE WATER 85-7225

Dear Permit Holder(s):

I am planning to conduct water right examinations in the vicinity of the above-referenced permit on October 2, 2012. An examination is a necessary step in the water appropriation process. During the examination, I will verify your water uses pursuant to your permit (copy enclosed).

In order to conduct your exam as efficiently as possible, please call me at (208) 287-4944 and confirm that an afternoon appointment on October 2nd would work for you. Please be advised that you will need to operate your system under normal conditions during the examination. In addition, it may not be necessary that you attend the field examination as long as I can easily locate the conveyance system.

I look forward to meeting with you and working towards finalizing your permit.

Sincerely,

Cherie Palmer, Sr. Water Resource Agent
Water Allocation Bureau
