Capitalized terms used and not otherwise defined herein shall have the meanings given to them in the Mortgage.

Grantor and Mortgagee desire to amend the Mortgage to provide that (1) the Mortgage secures the obligations of Grantor under the 198714 Loan, (2) a default under the 198714 Note or any other agreements and instruments evidencing or securing the 198714 Loan constitutes a default under the Mortgage, (3)

Additional Grantor becomes a mortgagor under the Mortgage, and (4) for such other matters as may be set forth herein.

NOW THEREFORE, in consideration of the premises, the mutual covenants and agreements hereinafter set forth and other good and valuable consideration, the receipt of which is hereby acknowledged by the parties hereto, it is agreed as follows:

1. Additional Grantor. Additional Grantor is hereby made a mortgagor under the Mortgage. All references to "Grantor" in the Mortgage and herein are hereby amended to include Additional Grantor, and all grants, mortgages, conveyances and assignments made in the Mortgage and herein are deemed to be made by Additional Grantor in addition to the Original Grantor. Additional Grantor hereby assumes all obligations of a mortgagor under the Mortgage.

2. Confirmation of Loan. The 198355 Note and the Mortgage are hereby confirmed by Grantor as being in full force and effect and Grantor acknowledges that it has no defenses or offsets to any of its obligations thereunder and that Mortgagee has performed all of its obligations under the 198355 Note and the Mortgage to this date.

3. Amendment to Mortgage. The Mortgage is hereby amended in the following manner, effective as of the Effective Date

(a) Secured Obligations. In addition to the Indebtedness defined in the Mortgage, the Mortgage shall also secure all indebtedness evidenced by the 198714 Note and the Grantor's obligations under the 198714 Note and the other loan documents executed in connection with and supporting the 198714 Loan (the "198714 Loan Documents") (except to the extent any 198714 Loan Document expressly states that it is to be unsecured). Accordingly, Grantor hereby irrevocably grants, mortgages, conveys and assigns to Mortgagee, and to its successors and assigns forever under the terms and conditions of the Mortgage, all of the Grantor's existing and after acquired interests in the Property to secure the repayment of the 198714 Note, any increases, modifications, renewals, extensions of the 198714 Note, any substitutions for the 198714 Note, as well as the performance of the Grantor's obligations arising under the 198714 Note and the other 198714 Loan Documents (except to the extent any 198714 Loan Document expressly states that it is to be unsecured). Notwithstanding any other provision in the Loan Documents or the 198714 Loan Documents, the 198355 Note and the 198714 Loan Documents shall be *pari passu*. In addition, Grantor hereby grants to Mortgagee a security interest in the Equipment and Improvements, Water Rights, Receivables, Intangibles, and all other Property as security for and in support of the 198714 Loan.

(b) Definitions. All references in the Mortgage to the "Note" shall mean the 198355 Note and the 198714 Note, collectively, each as amended or extended from time to time; all references to the "Indebtedness" shall include the Indebtedness evidenced by the Note and the 198714 Note; all references to the "Loan Documents" shall mean the Loan Documents, this Amendment, the 198714 Note, the 198714 Loan Agreement and the other 198714 Loan Documents, each as amended from time to time.

(c) Prohibited Transfers. The definition of "Prohibited Transfer" in the Mortgage is hereby amended such that, notwithstanding any other provision of the Mortgage, a transfer of any interest in the Property or an interest in a Person composing Grantor from one Person composing Grantor to another Person composing Grantor shall not be deemed a Prohibited Transfer, provided that (A) Mortgagee has received written notice of such transfer not later than ninety (90) days following such transfer, (B) all payments of principal and interest due under the Loan Documents are current, (C) there has occurred no Event of Default, or uncured event or condition which with the passage of time or the

giving of notice or both would become an Event of Default; and (D) Grantor has paid all of Lender's out of pocket fees, costs and expenses in connection with the transfer, including but not limited to outside counsel fees, recording fees and title policy endorsements reasonably required by Lender as a result of such transfer.

(d) Default. Article 6 of the Mortgage is hereby amended to provide that in addition to the events listed as events of default under Article 6 of the Mortgage, each of the following shall constitute an event of default under the Mortgage, entitling Mortgagee to exercise all remedies provided in the Mortgage or otherwise available:

i. Failure of Grantor to pay any payment or amount (including any prepayment premium or late charge) under the 198714 Note as and when due.

ii. The occurrence of an event of default under any of the other 198714 Loan Documents or any security instrument executed by Grantor and securing the 198714 Note, and the expiration of any applicable cure periods.

(e) Reaffirmation. Except as expressly set forth herein, the Mortgage shall remain unmodified and in full force and effect, and Grantor hereby affirms and reaffirms, as applicable, each and every of the terms and provisions of the Mortgage, as originally set forth therein, as to the real and personal property encumbered by the lien of the Mortgage, as amended hereby.

4. Construction. This Amendment shall be construed in accordance with the law of the State of Idaho (excluding choice-of-law principles). The terms of this Amendment have been mutually negotiated with each party having the opportunity to seek the advice of legal counsel and shall not be construed against any party. The headings in this Amendment are inserted solely for the purpose of convenience and shall not affect the interpretation of the provisions hereof. If any portion of this Amendment is held to be invalid by any court of competent jurisdiction, such ruling shall not affect the remaining terms hereof unless and to the extent it includes a specific determination that the fundamental purposes of this Amendment are thereby significantly impaired. All sums referred to in this Amendment shall be calculated by and payable in the lawful currency of the United States.

5. Effect of Modification. The interest rate, payment terms and/or balance due on the Loan may be, *inter alia*, indexed, adjusted, renewed or renegotiated and the lien of this Mortgage herein granted shall not be affected as provided in Idaho Code Section 45-116.

5. Entire Agreement. No amendments, variations, waivers, modifications or changes to this Amendment shall be effective unless in writing and signed by the Mortgagee and the Grantor subsequent to the date hereof.

6. Counterparts. This Amendment may be executed in two or more counterparts, all of which shall constitute but one and the same instrument. The signature pages of exact copies of this Amendment may be attached to one copy to form one complete document.

(Signatures appear on the following page)

IN WITNESS WHEREOF, Grantor has caused this Amendment to be duly executed as of the day and year first written above.

Re: Notice of Security Interest in a Water Right for Water Right – See Attached List

Dear Party Holding Security Interest:

The Department of Water Resources acknowledges receipt of the Notice of Security Interest in a Water Right you recently submitted on the above water rights. The Department has modified its records to reflect the security interest and has enclosed a computer-generated report for your records.

Please note that 16 water rights on the list attached to the notice you submitted in January have been split by an ownership change. The new numbers are shown on the attached list and Metropolitan Life has been added as having a security interest in them.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owners of a water right to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department or on the Department's website.

Please feel free to contact this office with any questions you may have.

Sincerely,

Trish Fawcett
