Jim,

We have used the document provided to remove Mr. Koenig from the water right. I have attached an updated proof report for your records. This will allow Mr. Grabher to apply to lease the water right to the Bank. Have a great Independence Day!

Sincerely,
Clay Webster

Clay,

Can you answer Mr. Speck's question on ownership change and re-filing of the lease application for Mr. Grabher?

I was not involved in either Ownership Change or the re-file of the lease.

I can certainly reply to Mr. Speck once I have the right answers for him.

It appears, all is in order, thou I would like confirmation from either your or Remington before I reply.

Christine

Christine,

I represent Elmar Grabher. Attached are copies of a July 2, 2014 letter from Cherie Palmer regarding a prior application to lease this water right to the Bank and a copy of the then requested death certificate of the former co-owner of the right, Joseph Koenig. Is this sufficient to now update the water right ownership and allow Mr. Grabher to re-file the lease application for the right? Thanks.

Jim

Vital Statistic Record Notice

Name: Josef Gerald Koenig

Date: April 11, 2010

Death certificates and other vital statistic records are exempt from disclosure under Idaho's Public Records Act (Chapter 1, Title 74) and are therefore not retained as part of a water right record or other record that is available to the public.

The notice of change of water right ownership form included a death certificate which was relied on to verify and update the record of ownership but was not retained as part of the permanent record.
