Sharla,

Our availability for July for the meeting regarding our point of diversion is as follows. We are not available July 7. We are available any day July 10, 11, 12, 13, or 14. Those would be our best days if possible for the others involved. We do not feel as if we need our attorney involved. Kirk is more knowledgeable than our attorney ever could understand where the spring lies, what the water levels are and how the water needs to flow. This transfer does not harm the Barnes. They will still get their 60%. We look forward to resolving this issue.

Have a great day,
Debbie and Kirk Jackson
