Re: Suzanne Wilkin & James Guthrie (COO, Transfer & Water Supply Bank Lease)

Dear Water Resource Agent,

Please find attached completed forms to split the ownership, transfer a ground water right to a new point of diversion and place of use and preserve in the water supply bank certain Teton County water rights associated with the property described in attached Teton County instruments #240031, #240032, #240033 & #245426. I believe the appropriate attachments, signatures and fees are included with their respective applications.

If you have any questions or need any additional information please feel free to contact me at your convenience.

Thanks,

Gary Funderburg
