Application For Permit No. 74-16070

Dear Applicant(s):

The Department of Water Resources is informing you of the re-advertisement of Application for Permit No. 74-16070. This application was published in the Recorder Herald on 6/1/2017 and 6/8/2017 with an error in the diversion rate and the source tributary. The Department will need to re-advertise the application with the corrections in place.

A new legal notice of the application has been prepared and is scheduled for publication in the RECORDER HERALD on 7/6/2017 and 7/13/2017. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Jean Hersley
